G
I don't care if you never come home
C
I don't mind if you just keep on
G
rolling away on a distant sea cause
D G
I don't love you and you don't love me.

G
The cause of commotion when you come to town
C
Give 'em a smile and they melt
G
And the lovers and friends are all good and fine,
D G
But I don't like yours and you don't like mine.

C G D
La la---- la la la la la
C G D
La la---- la la la la la

G
I don't care what you do at night and
C
I don't care how you get your delights,
G
I'll leave you alone, I'll just let it be
D G
I don't love you and you don't love me.

C Em/B
I've got a problem, can you relate,
Am G
I've got a woman callin' love hate
C Em/B
We made a vow, We'd always be friends
Am G
How could we know that promises end?

G
I try to love you for years upon years,
C
You refuse to take me for real
G
It's time you saw what I want you to see
D G
And I'd still love you if you just like me.

C Em/B
I've got a problem, can you relate,
Am G
I've got a woman callin' love hate

We made a vow, We'd always be friends
