

Thank God for Kids

The Oak Ridge Boys/ Eddy Raven

If it [C] weren't for kids have you [F] ever thought
[C] There wouldn't be no [G7] Santa Claus
Or [F] look what the stork just [G7] brought
Thank God for [C] kids

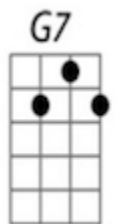

And [C] we'd all live in a [F] quiet house
With-[C] out Big Bird or [G7] Mickey Mouse
And [F] Kool Aid on the [G7] couch
Thank God for [C] kids

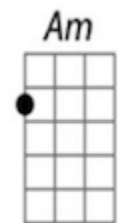

Chorus

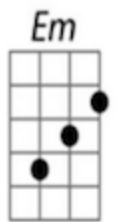

Thank [F] God for kids, there's [G7] magic for a [C] while
A [F] special kind of [G7] sunshine in a [C] smile
Do you [F] ever stop to [G7] think or wonder [Am] why
The [F] nearest [Em] thing to [Dm] heaven... is a [G7] child

[C] Daddy how does this [F] thing fly
[C] And a hundred other [G7] where's and whys
I [F] really don't know but [G7] I try
Thank God for [C] kids

When I [C] look down in [F] those trusting eyes
[C] That look to me I [G7] realize
[F] There's a love that I can't [G7] buy
Thank God for [C] kids

Chorus

(slower)
[C] When you get down on your [F] knees tonight
To [C] thank the Lord for His [G7] guiding light
And [F] pray they turn out [G7] right
Thank God for [C] kids
[F] Mmmmm [G7] mmmmm thank God for [C] kids
